Pete Harrison New Investigator For Industrial Board

A former Pahokee police chief will be the new investigator of private employment agencies, according to James T. Vocelle, the new chairman of the Florida Industrial Commission. Mr. Vocelle has named F. R. (Pete) Harrison to the job. He will assume the work formerly done by three investigators, Vocelle said.

During the Caldwell administration Mr. Harrison served as chief enforcement officer of the Beverage Department, while Vocelle was director. Vocelle is from Vero Beach and Harrison lives just outside the city limits of Cocoa where he has had a home for many years.

Mr. Harrison served as Pahokee police chief for several years before taking a job with the State Road Department as captain of the Indiantown convict camp where he served for several years. He has many friends in the Lake Okeechobee Region who will be glad to know that he is now connected with the McCarty administration.

Legion Plans For Its Annual Fair

A report on plans for the annual Pahokee Fair and Carnival to be held on the American Legion Grounds during the first week of March was given by J. W. (Tut) Guthrie, general chairman of the fair, at a meeting of Fred and Percy Mansfield Post 90 in the Legion Hall on Canal Point Road Monday night. A special effort is being made to have an outstanding industrial display at this year's fair, Guthrie said.

Plans were made to erect a large roadside sign and public bulletin board in front of the Legion grounds on US 441. David Unwin was appointed in charge of this project by Commander Howard Holman.

At the conclusion of the meeting refreshments were served by Edwin Rice and Melvin Spooner.

Pahoke Permits Total Quarter Million

Permits for buildings valued at \$205,716 were issued by the City of Pahokee during 1952, according to a report by Frank Thompson, building inspector. Of this total \$91,091 was for business buildings and \$114,625 for residences.

In 1951 building permits in Pahokee totaled \$202,410 of which \$68,750 was for business houses and \$133,630, for homes, Thompson said.

C O F EXECUTIVE BOARD

A meeting of the executive board of the Pahokee Chamber of Commerce will be held in the C of C office at the corner of East Main and Lake Ave. Monday, Feb. 2, at 8 p. m., according to an announcement by Mrs. Carl Orr, office secretary. President Ralph O. Johnson will preside.

Band May Go To Lions State Meet

The Pahokee Lions Club at the Tuesday luncheon meeting voted to sponsor a trip by the Pahokee High School Band to the Lions State Convention at Miami in May if Bandmaster Robert O. Lampi has an open date for his band at that time.

The club authorized Leon Spooner, chairman, and members of his entertainment committee to make arrangements for a ladies night program in the near future.

Curtis Chase, chairman of the club's Boy Scout committee, reported his committee recently made arrangements for a hike and camping trip for Boy Scout Troop 28 which is sponsored by the club.

Full Time Driver Lessons Needed

J. F. Waddell, chairman of the Rotary club's traffic and safety education chairman, reported his committee recommends a full time instructor for the driver education program at the Pahokee High School. Under the present setup the instructor, W. A. Slauter, has to divide his time between Pahokee and Belle Glade High Schools and only a limited number of high school students are able to take the driver education course, Waddell said.

President Elmer Jones announced the Pahokee club's record of an attendance of 98.16 per cent in December placed it among the top five clubs in attendance for the district.

C. A. Bailey of Belle Glade spoke briefly of the lack of State funds for research in education. Other luncheon guests were Robert Creech, Sr. of Belle Glade and Hugh Spears of Lake Worth.

Conservation Club Formed In Pahokee

The first Junior Conservation Club of this area was organized Friday night in Pahokee at the Lions Club building with Wildlife Officer Herb Worth in charge of arrangements and Denver St. Clair, education officer of the Florida Game and Fresh Water Commission, assisting.

Edwin Wagon was chosen president of the new club which is to be known as the Pahokee Junior Wildlife Club. Other officers elected are: Jack Stanley, vice president; David Cunningham, secretary; Alfred Kuhn, treasurer. Carlos Orr, assistant scoutmaster also helped with the organization of the new club.

Roswell Harrington New School Trustee

Roswell Harrington of Canal Point and Lawrence Myers of Lake Worth were named school trustees by the County School Board in its Tuesday meeting. Mr. Harrington succeeds Henry Earwood of Belle Glade who became a member of the board. Mr. Myers succeeds Roy E. Michael of Lake Worth who became a member of the board of county commissioners.

Chalo Nitka Opens Moore Haven Feb. 7

The Glades County Chamber of Commerce at Moore Haven is sponsoring the Fifth Chalo-Nitka Festival (Seminole for Bass Day) in Moore Haven on Saturday, Feb. 7.

The program will begin with a street parade starting at noon, featuring a wide variety of home made floats—high school bands—Seminole Indians in full tribal regalia and cowboys from neighboring ranges. The parade will be followed immediately by a free fish fry for everyone attending. In past years the meal has been held in the afternoon but has been changed this year to a luncheon.

Another change in the usual program will be the coronation of the Queen of the Festival immediately at the conclusion of the parade and she will reign over the festival throughout the day and will lead the grand march at the street dance which concludes the festival that evening. At the same time will be crowned the King of the Bass, the angler who is able to catch and record the largest black bass from the waters of Lake Okeechobee in the four weeks prior to the festival.

The principal event of the afternoon will be the National Championship Turkey Calling Contest, competition by a host of experienced turkey callers of the Everglades area. There will also be quail calling and "gator" calling and other events.

Funeral Services For Mrs. Mathis

Funeral services for Lady Ingram Mathis, 78, mother of Mrs. H. M. McIntosh and Miss Julia Mathis of Pahokee, were held in Panama City Saturday afternoon, Jan. 24, with Wilson's Funeral Home in charge of arrangements.

Mrs. Mathis died Thursday night at the local hospital. She had been of ill health for some time and was spending the winter season with her daughter and family in Pahokee. She was the daughter of the late Mr. and Mrs. Joseph Ingram, she was born in Byhalia, Miss., Mar. 1, 1875.

She is survived by her husband, Col. C. R. Mathis, Sr., Panama City; three daughters, Mrs. O. M. Corbin, Jr., Fort Myers, Miss Julia Mathis and Mrs. McIntosh of Pahokee; two sons, C. R. Mathis, Jr., Washington, D. C., and Joseph I. Mathis, Panama City; a sister, Mrs. N. E. Ingram, St. Petersburg, and seven grandchildren.

Berry's Funeral Home was in charge of local arrangements.

HURT BY FALL

Mrs. Alma Burr, first grade teacher at the Canal Point School, in an accident at the school Thursday of last week suffered a compound fracture of her left wrist.

The accident occurred during the recess period while Mrs. Burr was supervising the games of her pupils on the tennis courts. In a quick move she lost her balance and fell on the paved surface of the court. She was taken to the Everglades Memorial Hospital for treatment.

Fire Control Chief Asks That Budget Be Doubled

Rotary Completes Refrigerator Job

The walk-in refrigerator for the Everglades Memorial Hospital was installed at the hospital the past week, according to Harold Wetzel, hospital administrator. The Pahokee Rotary Club spearheaded the movement to get the giant refrigerator for the hospital, with O. R. Bleech in charge. Other civic groups are cooperating with the Rotarians in this project by raising funds to share in the payment.

Blight Hits Corn In Pahokee Area

Blight hit the sweet corn in the Pahokee area about a week ago and farmers have been warned that continuous spraying will be necessary if they are to protect their acreage now growing, according to Frank V. Stevenson, associate plant pathologist at the Everglades Experiment Station at Belle Glade.

Mr. Stevenson pointed out that the blight is in an active stage at this time and that careful attention may save the present crop in the affected area. The majority of the disease has been found in corn immediately back of the ridge in the Pahokee area, he said. Corn in the Belle Glade section is not large enough at this time to detect any blight, it was pointed out.

Mr. Stevenson said that a special radio program on WSWN tomorrow (Saturday) at 11:15 will be devoted to blight and proper methods of control. He suggested that all corn raisers tune in the station at that time.

Netmen Will Go To Stuart Tonite

The Pahokee Blue Devil Basketweavers with a 1-5 record to date, are scheduled to travel to Stuart this Friday night for a game with the third place Stuart Tigers and next Tuesday night they will play a return game with the Belle Glade Rams in the cramped quarters of the local gym, where the boys have to play on an under-sized court and the spectators have to poke each other in the ribs with their elbows in order to get seats.

The Blue Devils have played close contests in all of their games except for Tuesday night when the undefeated conference-leading Vero Beach Indians gave them a 75-37 scalp on the local court. Even in this game the Blue Devil star, Guard Danny Mullis, zipped in 7 field goals and four free throws for a total of 18 points, increasing his total points to date to 115. Mullis and Tom Kuhn of Fort Pierce are leading the conference in individual scoring.

The Florida State Retailers Association has proposed a legislative bill which calls for a 50 per cent reduction of taxes on merchandise stock of retail stores.

Everglades Fire Control Chief Guy D. Bender asked the budget commission for an increase in his budget for the forthcoming two-year operation. Chief Bender's budget would go up from \$142,000 for the current two-year period to \$299,508, more than double.

Chief Bender told the budget commission he would need \$30,000.00 for new trucks, \$70,000 for new tractors and \$13,000 for new hose. He also asked for a 10 per cent salary increase for his men, but for no increase in his own salary of \$5,235 a year. The salary increase would run from \$200 to \$300 a year for employees.

Chief Bender told Gov. Dan McCarty, other members of the State Budget Commission and legislators that he needs new equipment to replace tractors and trucks that go back to 1935 in vintage.

He pointed out that Everglades fires have at times burned for 30 days, filling the area to the coastal cities with dense clouds of smoke which prevent planes from landing and have threatened to force the closing of race tracks.

Local Scouts Will Be Re-Organized

The reorganization of Canal Point Boy Scout Troop 24 will be completed at an open meeting of boys, 11 years and older, in the scout hut on the County Park grounds this Friday night at 7:30 according to P. A. Slonaker, the new scoutmaster.

Following the appointment of senior patrol leaders and a junior assistant scoutmaster by Scoutmaster Slonaker, patrols will be formed and patrol leaders will be elected by members of the various patrols. Application will also be filled out for the granting of a new troop charter.

At the first meeting to reorganize Troop 24 called by Scoutmaster Slonaker last Friday night more than 20 boys attended and a larger number is expected to be present at the second meeting.

TALLAHASSEE

Yesterday & Today

(By Jack Sutor)

The news here over the long pull during recent weeks has been the cabinet hearings on the big new \$350,000,000 budget.

Optimism is high that tax collection will be high enough to meet the state agency requests for the next two years. But the cabinet and the appropriations committees of the House and Senate who are sitting with the cabinet for the first time are eyeing some of the requests critically.

But even though those hearings are the current front page Tallahassee story, the case of the "400" who were dismissed from the State Road Department the day after inauguration continued to seethe under the surface. So there are a number of observations that can be made about those dismissals.

1. A tighter and more efficient organization of personnel and material at the Road Department was long over-due.

2. The people approve.

3. The press approves.

Actually, a gray train situation if left unchecked could grow to such proportions that it would destroy us all. . . . So why all the intense exchange of discussion and humor on the matter everywhere you turn?

The answers are simple. You just can't fire 400 people and more without serious repercussions, because you are trifling with the universal and fundamental fear of insecurity that is in every man.

All of the "400", for example, have friends and neighbors. The very fact that you have a friend in the Road Department who lost his job sends a shock fear through you.

People feel that way even though they are violently opposed to deadheads, and free riders on gray trains.

In fairness to the new McCarty Road Board, it should be stressed that they haven't revealed the work and performance record of those who were fired. Some of these revelations would probably be pretty embarrassing to those concerned. Now, we came to the only weak point in the whole business of the "400".

No political leader whether he be a governor, senator, or a president can fire his friends with political impunity if the job continues and is filled by another friend, or an enemy.

Nothing else much can split a

political organization so badly. From the talk in the capital there is evidence that it happened in several instances. If there were very many, it could be dangerous to the McCarty organization.

Certainly, no supporter of a governor has a right to ask for a position for which he is not qualified. However, if he is qualified he has every right according to all the traditions of American politics.

"Politics" has become a bad word in recent years—"bad politics," that is. But politics is human nature and like human nature a strong effort must be made to keep it clean. Clean politics is what Governor McCarty is striving for.

JAKE CONE DIES

Word has been received from Chattahoochee that J. C. (Jake) Cone passed away there several days ago. Information reached Canal Point through the sheriff's office in West Palm Beach.

January Meeting Of Missionary Group

The Woman's Missionary Society of the Pahokee First Baptist Church conducted its January meeting at the church Monday afternoon, with the Helen Hayes Circle in charge of program arrangements and Mrs. H. L. Speer, president, presiding at the business session.

The program, "Baptist Women Around the World," was under the direction of Mrs. John Hatton who was assisted by Mrs. Joel Brown, Mrs. W. Hal Hunter, Mrs. W. K. Aldridge and Mrs. John Burdshaw. Mrs. Hatton also gave the devotionals.

The group made plans for a mission study course to be given by Mrs. Ned Kocher on Feb. 19.

It was announced all circles of the WMS will attend the special devotional program to be presented in the high school auditorium on Feb. 20 in observance of World Day of Prayer.

Mrs. Horace Unwin reported all circles had carried out their community mission projects for January, the donation of dish towels and wash clothes to the local hospital.

The traveling attendance pin for January was awarded to the Nina Briggs Circle.

aldrin

Aldrin—approved by agricultural authorities for control of certain soil pests—has established a fine record for wireworm control on sugar cane, corn and sweet potatoes.

Easy-to-use aldrin can be applied to soil in two ways:

1. Apply aldrin directly on the ground, as dust or spray, and harrow it in when preparing seed beds.
2. Have your supplier mix aldrin with your fertilizer and apply with conventional row treatment.

Using either method aldrin is applied in small amounts . . . it's economical. Aldrin gets other insects at the same time. It controls rootworm and other pests . . . is now approved for controlling wireworm on sweet potatoes.

Make your next crop a profitable one, free of wireworm and other destructive insects . . . use aldrin before planting. Your dealer will be glad to give additional information.

Cinematic Chatter

By Malcolm Miller

Hello everybody! Ava Gardner is the girl who never had to sing for her supper. But she could do it—thanks to the movies. The fact that she has lifted her voice in song in her last three movies has been a source of considerable surprise to Miss Gardner herself. "It's true I've always wanted to sing," she says, "and as a youngster in North Carolina, they couldn't keep me out of the junior choir at church. Mine was always the loudest voice in the back row. But it never occurred to me that I might some day be singing professionally." Miss Gardner's "professional" debut occurred in "Pandora and the Flying Dutchman," in which she was called upon to sit down casually at a piano and sing the old time hit, "How Am I To Know," in an entirely professional manner. When the Gardner recordings of the song hit the music stores, it was clear the movie company had uncovered a new musical gold mine. Her voice had developed a haunting, throaty quality reminiscent of the late Helen Morgan. But it was individually distinctive and unmistakably the type that could be commercially successfully. The actress was immediately cast in the role of Julie in "Showboat." Coincidentally, this was the role which Helen Morgan had made famous on the Broadway stage. Her new-found talent has opened unexpected horizons for the screen's current glamour queen, who is now being besieged with offers from all branches of show biz. Of course, you know Miss Gardner is the wife of Frank Sinatra. Frank just finished a visit with his wife in Africa, where she is making a film. See you at the movies—Mal.

Ben Roberts Speaks To Woman's Society

Ben Roberts of Canal Point was guest speaker on the opening night of the jurisdictional study of "Africa" conducted by the Pahokee First Methodist Woman's Society of Christian Service at the church starting Monday. Introduced by Mrs. Clyde A. Canipe, Mr. Roberts gave an interesting talk on the Dark Continent. Mrs. Canipe showed a film on Northern Africa.

On Tuesday, the second night of the study, Mrs. Arch Blakey, WSCS president, gave a talk based on the information she gathered at the School of Missions on Africa which she attended. Mrs. Canipe showed two more films of Africa scenes.

The study was concluded on Thursday night when Miss Nina Briggs, former missionary to Africa, told of some of her experiences during her missionary work among the African natives.

Alsmeyer - Jernigan Wedding Plans Are Announced

Miss Marjorie Alsmeyer, daughter of Mr. and Mrs. Louis H. Alsmeyer of Sebring, announces plans for her marriage to William H. Jernigan, son of Mr. and Mrs. Will P. Jernigan of Clewiston which will take place on Monday, February second at seven-thirty o'clock at the First Methodist Church, Sebring.

Dr. Frank Carwithin will officiate at the double ring ceremony. A program of pre-nuptial music will be presented by Mrs. Ruth Sebring, soloist, and Mrs. Florence Clayton Dunham at the organ. Ed Flanders will sing the wedding prayer.

Mr. Alsmeyer will give his daughter in marriage. The bride-elect has named Miss Mary Eleanor Jernigan of Clewiston, sister of the groom-elect as maid of honor. Mrs. Howard Olsen of Clermont, the bridesmaids are to be Miss Helen Hilemn, Miss Barbara Schumacher of Sebring and Miss Anibel Kelsey of Avon Park. Little Miss Nancy Harrington, of Canal Point, cousin of the groom-elect will be flower girl.

Richard Alsmeyer, brother of the bride-elect will serve as best man. Ushers are William Alsmeyer of Sebring, Charles K. Bowden of Clewiston, George L. Sims, Canal Point and David W. Foley of Waldo.

Mr. and Mrs. Alsmeyer will entertain at a reception immediately following the ceremony at Layton Hall.

Ministers Guest Of Pahokee Pastor

Dr. and Mrs. Rembert A. Guy were hosts to Methodist ministers and their families of the Lake Okeechobee area at a dinner meeting in the parsonage of the Pahokee First Methodist Church Monday evening.

The Rev. William Wicker of Riverview Beach, guest speaker, gave a talk on "The Cuban Mission," which he illustrated with colored slides. Dr. Guy presented the devotional program and Dr. Nicola de Stefano, pastor of the Lake Harbor Methodist Church, presided. Present were ministers and their families from Okeechobee, Canal Point, Pahokee, Lake Harbor, LaBelle, Clewiston and Moore Haven.

Mrs. Ray Hatton Honored At Shower

Mrs. Sam McKinstry, Sr., Mrs. Richard Tillis and Mrs. Earl Crossman entertained at the Woman's Club building with a party and bride's shower in compliment to Mrs. J. Ray Hatton who was Betty Jo Barwick before her marriage to Mr. Hatton in Folkston, Ga., Jan. 6.

Arrangements of spring flowers in pastel colors were used by the hostesses in decorating the clubhouse for the occasion.

Mrs. John Hatton, the bride's sister-in-law, was in charge of the guest book. Mrs. Joe Hatton, Jr., another sister-in-law together with Mrs. John Hatton and Mrs. Richard Tillis, assisted the honoree with the opening and display for the gifts. Refreshments were served to approximately 50.

Cypress Gardens will be a busy place this month when Esther Williams returns to start shooting the Cypress Gardens Story for Metro-Goldwyn-Mayer. She will swim and water ski along with the famed Cypress Gardens Aqua-Maids.

Agent Mounts In Report To Board

County Agent M. U. Mounts has made many reports to the county commission but he made one Monday that caused a raise of collective eyebrows around the commission table.

Mounts was reporting on the number of employees in his office and said of the six people working out of the county agent's office three of them have master's degrees and two other are well on their way toward getting master's degree's.

The eyebrows went up when Mounts declared, "I'm the only uneducated one in the group."

The commission and the majority of Palm Beach County residents know that Red Mounts has built an enviable reputation in agricultural education throughout the state of Florida and has been recognized as an outstanding authority on agricultural subjects by Florida colleges. He has more than 20 years of service as county agent and has drawn many commendations for his outstanding work

throughout the county.

The commission just refuses to believe that Mounts is not an educated man.

Sidewalks Talked By Pahokee Council

The construction of new sidewalks in the southeastern residential section of Pahokee was discussed by the City Council at a regular meeting Monday night. It was decided that when the plans for the proposed sidewalks are completed a special referendum vote of freeholders will be conducted to determine whether or not the sidewalks are to be built at this time.

The council authorized Mrs. W. J. Larrimore, city librarian, to abolish the one-dollar public library membership fee, making it a free lending library for residents of Pahokee. A small charge will be continued, however, on books selected from the special shelf containing the latest and most popular volumes. There will also be a small fine imposed for books kept out of the library over the two weeks' time limit.

A Good Citizen of The Everglades

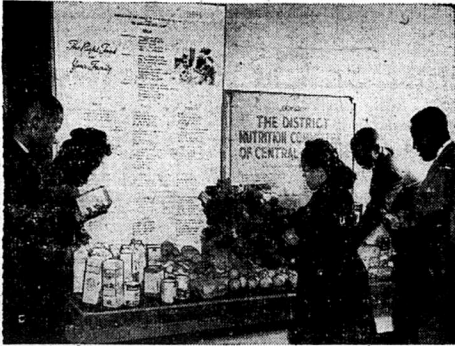

Have you ever thought about the part your Telephone Company plays in the life of this Community, the State and the Nation? Here are some things it does:

1. Pays good wages to its employees—money that is spent largely in the employee's home town.
2. Pays large amounts in taxes that go to support government, education and public institutions.
3. Takes part, both as a Company and as individuals, in many worthwhile civic endeavors.
4. Provides the best possible telephone service at the lowest possible cost.

Accepting the responsibilities of citizenship, we believe, is an important part of good telephone service to this community.

From where I sit... by Joe Marsh

'Surprise Ending!'

That raffle for our Volunteer Fire Department went over fine. We're going to have money to get a new engine—and then some.

Our local merchants really donated some wonderful prizes. Like Buzz Ellis, the radio-TV dealer, giving that big television set... and the Superior Motors putting up a brand-new car.

There was a humorous note, too. The prize of a year's supply of coal—donated by Baker Coal Yard—was won by Mrs. Thayer, whose husband is the biggest fuel-oil dealer in the county! What did

Mrs. Thayer do with the coal? She gave it to a church she's not even a member of. (Her Church uses her husband's fuel oil.)

From where I sit, that's real generosity. But then, Mrs. Thayer never did believe in dividing people into groups. She's "for" everybody—whatever church they go to, whether they like TV or radio, people who enjoy temperate beer, people who don't. A really warm-hearted person.

PLEASE DON'T TRY TO HEAT
YOUR HOME ELECTRICALLY!

Using electric ranges and spot heaters to heat homes can overload electric lines, dim your television, black out whole neighborhoods by blowing out transformer fuses. We have expanded our electric system tremendously—upped production facilities to nearly three times our VJ-Day capability! There's plenty of electricity for all uses except house heating. There aren't enough cold days to justify designing it for that.

Christian Science Group Of Canal Point

Keynote of services to be held in all Churches of Christ, Scientist next Sunday is that the beginning point in Christian Science is the allness of God. Subject of the Lesson-Sermon is "LOVE."

A verse from Jeremiah (9:24) provides the Golden Text: "Let him that glorieth glory in this, that he understandeth and knoweth me, that I am the Lord which exercises lovingkindness, judgement, and righteousness, in the earth."

Among Bible citations is the following from I John (4:8): "He that loveth not knoweth not God; for God is love."

Reading from "Science and Health with Key to the Scriptures" by Mary Baker Eddy include: "People go into ecstasies over the sense of a corporeal Jehovah, though with scarcely a spark of love in their hearts; yet God is Love, and without Love, God, immortality cannot appear" (p. 312).

Christian Science Lecture Sunday

The rules and Principle by which happiness can be won will be the topic of a free public lecture next Sunday, February 1st, by Theodore Wallach of Chicago, a member of The Christian Science Board of Lectureship, it is announced.

Mr. Wallach will speak at 3:15 p. m., under auspices of First Church of Christ, Scientist, Belle Glade, in the New High School Auditorium, West Lake Road. The local membership has invited the general public to attend. Mr. Wallach's topic is "Christian Science: The Key to Happiness."

The lecturer has had extensive experience in the practice of Christian Science healing, and is now on an extended tour as an authorized lecturer.

Mr. Wallach was active in the music profession in Chicago as a private and conservatory teacher, subsequently entering the business world where he was active in various fields of merchandising. He has been in the public practice of Christian Science healing since 1934.

Mrs. Brooks Talks To Woman's Club

Mrs. R. L. Brooks gave a talk on "Motion Pictures as an Educational Medium" at a program luncheon meeting of the Pahokee Woman's Club Tuesday, with Mrs. Don Hillier, president, presiding. At the conclusion of her talk Mrs. Brooks read a poem, "Faces."

Following the luncheon, club members and guests went to the Prince Theatre for a special showing of the film, "Hoaxsters," through the courtesy of the theatre management.

Out-of-town guests included Mrs. Frances Hasse, Cleveland, Ohio; Miss Stella Lou Todd, Jacksonville; Mrs. William Thebaud, Mrs. J. M. Gledhill, Mrs. Bunn McCall, Mrs. Robert Ford, Mrs. Marvin Unwin, Mrs. Frank Dooley, Mrs. H. V. Drea, Mrs. Herbert Beck and Mrs. E. D. Humphries, all members of the Belle Glade Woman's Club.

In charge of program and luncheon arrangements were members of the club's motion picture committee: Mrs. Lson Spooner, chairman, Mrs. Abe Dobrow, Mrs. Annie Merle Carter, Mrs. Charles Moran and Mrs. Corley Watson.

Hughes - Fountain

Miss Jessie Marie Hughes, daughter of Mr. and Mrs. Joe D. Hughes of Carthage, Tenn., and Walter C. Fountain, son of Mr. and Mrs. Walter J. Fountain of Pahokee First Methodist Church Thursday evening of last week with Dr. Rembert A. Guy, pastor, officiating.

Mr. and Mrs. Myers J. Fountain of Pahokee, brother and sister-in-law of the bridegroom, were attendants.

Following a brief honeymoon Mr. and Mrs. Fountain will make their home in Pahokee where he is employed by the Florida Power and Light Company.

TALKS TO ROTES

Mrs. Carlos Orr, office secretary of the Pahokee Chamber of Commerce, was guest speaker at the Thursday luncheon meeting of the Pahokee Rotary Club last week.

Introduced by the Rev. W. Hal Hunter, program chairman, the speaker told of the work and some of the goals of the chamber and its need of the full support of the community. She showed the Rotarians some of the brochures the chamber uses in publicizing Pahokee and Palm Beach County.

Rainbow To Sponsor Rummage Sale

Miss Patsy Maurer, new worthy advisor of the Pahokee Assembly, Order of Rainbow for Girls, presided at a meeting of the Rainbow Girls in the Masonic Hall Monday night, when plans were made to sponsor a benefit rummage sale in front of the Showboat theatre Saturday, Jan. 31, starting at 10 a. m. Carolyn Hickerson was named chairman in charge of arrangements for this project. Tentative plans for attending the annual convention of the Grand

Assembly in Tampa June 18-20 were discussed. The group voted to sponsor a contest to name a Miss Rainbow of Pahokee for 1953, all members to participate as contestants. The winner will be chosen by popular vote at a penny a vote, proceeds to go into the fund being raised to cover expenses of attending the Grand Assembly meeting.

Cutbacks in defense production, shortages of material and the steel strike have reduced by nine million kilowatts the nation's anticipated generating capacity of power companies, according to Electrical World.

It Is Unlawful For Any Person Or Persons To Engage In Business Under A Fictitious Name Unless The Name Is Registered

The fictitious name statute was recently changed by the 1951 Legislature and the News has the necessary forms for proper registration and advertising.

The charge for advertising the notice the necessary four times is \$15.

As amended by the 1951 session, the law reads as follows:

"It shall be unlawful for any person or persons, as defined herein, to engage in business as herein defined, under a fictitious name as herein defined, without and unless said fictitious name shall be registered with the clerk of the circuit court of the county where the principal place of business is, which registration shall consist of filing with the clerk aforesaid an affidavit signed by all interested persons, stating under oath the names of all those interested in the business enterprise, the extent of the interest of each, and the fictitious name under which said business is carried on. Said registration may not be made until the person or persons desiring to engage in business under a fictitious name shall have advertised his or their intention to register said fictitious name at least once a week for four (4) consecutive weeks in some newspaper as defined by law in the county where said registration is to be made, and said registration shall not be accepted by the clerk of the circuit court except upon receiving proof of such publication."

Here Is What Transpired At Monday's Meeting Of The Palm Beach County Commission

Possible change in Holiday schedules for court house employees to conform with holiday schedules for state officials, was under consideration by the county commission this week. The change would eliminate all holidays during the year except five major celebrations and will include Saturday closing for the courthouse.

Commission Chairman Lake Lytal was instructed by the board to name a committee to meet with other public officials representing state and municipal governments in an attempt to draft legislation that would set up a county-wide holiday schedule for public offices.

Under the new schedule the courthouse which now stays open

on Saturday mornings, would be closed all day Saturday and instead of the 25 holidays which are now observed only Christmas, New Years, Thanksgiving, Fourth of July and Labor Day would be good for a day off.

The five day schedule has been observed for some time by state employees and many municipalities in the county. The same schedule is followed by all banks in the county.

The commission also made plans to be represented at a Civil Aeronautics meeting to be held in Miami Feb. 5 when representatives of Palm Beach, Dade and Broward county will meet with CAA officials to discuss commercial use of airports in these three areas.

The board also voted that they should be represented at a directors meeting of the State Association of County Commissioners to be held next month, and at the association's state convention to be held at Tallahassee in March. Commissioner Paul Rardin, an association director, will attend the February meeting and several of the board members expect to attend the convention.

Last Rites Held For W. A. Grammer

Funeral services for William A. Grammer, 55, of Sebring were held in that city Thursday afternoon, Jan. 29, with Warren's Funeral Home in charge of arrangements.

Mr. Grammer, who had spent considerable time in Pahokee for the past six months while receiving treatment for an illness, died at the Pahokee hospital Monday

night. He was an equipment dealer for the Sebring Crane and Shovel Sales Company and a member of the Order of the Moose, Veterans of Foreign Wars and a past commander of American Legion Post 584 in Michigan.

Survivors include his wife, Dorothy, of Sebring; his mother, Mrs. Antwyne Bellow, and sister, Mrs. Otto Erdman, both of Ann Arbor, Mich.

Mrs. Teresa Hawkins is ill with the flu at the Everglades Memorial Hospital.

Local Post Office Receipts Up 20 Pct.

Gross receipts at the Canal Point postoffice for 1952 totaled \$7,211.28 which is 20 per cent above the \$6,024.93 gross in 1951, according to Postmaster Osceola Upthegrove.

This puts the postoffice in the top bracket of third class, he said. The office was moved into its present location in the Rardin building last October 1, which is twice the size of the former one. Postmaster

Upthegrove reports that 118 new combination boxes have been installed and most all are rented at present.

Dr. and Mrs. Gordon Schuettler had as guests Sunday his mother, Mrs. Rose Schuettler, and brother-in-law and sister, Mr. and Mrs. Mitchell Sharp, of West Palm Beach.

Mr. and Mrs. Hugh Branch, Mrs. Max Beverly and Mrs. Al Beverly saw "South Pacific" in Miami Tuesday night.
